With the Cruise of a Lifetime

# Explore a world of inspiring destinations with the experts at A&K.

With a world of discovery just waiting to be explored, this selection of Luxury Expedition Cruises promises the adventure of a lifetime in 2023.

Our enriching expeditions reveal inspiring destinations both near and far as you cruise in comfort and style aboard an exclusively chartered small expedition vessel, often enjoying access to places larger vessels cannot reach. We also limit our guest capacity to 80 percent on every voyage for a more intimate experience aboard. Leading the way, our hand-selected, award-winning Expedition Team sets us apart with countless years of expertise spanning a host of scientific, cultural, photographic and historical disciplines.

On last summer's departure of **The Northwest Passage: From Greenland to the Bering Sea**, I realized a childhood dream of retracing the paths of the legendary polar explorers. This is just one of the extraordinary adventures you will find in the pages of this book. From the Arctic to Indonesia, from Scandinavia to Australia and points beyond, a world of inspiring discovery awaits.

Whichever voyage you choose, cruise with confidence knowing you are in the hands of the most passionate, accomplished team of explorers on the planet.

# Experience the gold standard in luxury expedition cruising.

## Our Expeditions Are Unlike Anything You Have Experienced Before

Nothing like a standard cruise and every bit a luxuriously intimate adventure by sea, A&K Luxury Expedition Cruises feature all-inclusive voyages aboard exclusively chartered small ships with guest capacities limited to 80 percent. For you, this means unique itineraries featuring destinations inaccessible to big ships, a private balcony with every beautiful stateroom and suite, an intimate personnel-to-guest ratio of 1 to 1.3, and an immersive experience led by our award-winning Expedition Team.

## Our Reputation for Innovative Exploration Precedes Us

Since our first expedition in 1991, our mission has been to show you epic frontiers and unspoiled lands under the wing of the most accomplished experts. More than 400 voyages later, we remain the longstanding leaders in luxury expedition cruising, now exploring all seven continents on voyages still defined by innovation, exploration and expertise.

## Our Expedition Team Is the Best, Bar None

Just ask any guest who has sailed on our expeditions and they'll concur: our legendary Expedition Team is truly exceptional. Hand-picked by A&K to oversee every detail of your voyage, this award-winning team of approximately 20 accomplished real-life explorers joins an already robust ship staff and includes experts ranging from leading Arctic research scientists to professional landscape photographers to recipients of the Polar Medal.

## Thrilling Adventures and Cultural Enrichment Go Hand-in-Hand

The active adventures and cultural experiences we weave into our expeditions speak meaningfully to the places we visit. In glacier-clad Antarctica and the rugged Australian Kimberley, join us for thrilling Zodiac excursions piloted by A&K naturalists, perhaps alongside fluking whales or remarkable waterfalls. In culture-rich cities and ports, enjoy A&K signature guided cultural experiences, such as a private performance from a Corsican choir or an expertly curated foodie tour in Stockholm. You also experience an immersive enrichment program led by our acclaimed Expedition Team, who join you every day of your expedition for engaging lectures, impromptu conversations, photo coaching, guided landings and more.

Visit A&K online for action-packed videos, blogs, photo galleries and more from our voyages.

# Sail on exclusively chartered small ships elevated to exacting standards.

## Experience Stunning and Ideal Small Expedition Ships

Our experts zero in on innovative expedition ships with a private yacht-like ambiance, selecting only those ideally suited for the places we explore. Defined by strength and style, these purpose-built ships feature everything you'd expect on a luxury A&K cruise, including a convenient marina, ample deck space, a panoramic fitness room, elegant spa and cutting-edge technology.

## Enjoy a Private Balcony With Every Stateroom and Suite

We limit the number of guests so that no voyage exceeds 80 percent of capacity—from 148 to 199 guests depending on this ship, and never more. This enables us to offer premium accommodations, each of which is always outfitted with a private balcony, a feature available only on A&K charters. Smart design and elegant comforts define your accommodation options, which offer a choice of a king-size bed, two single beds or two-room suites that can sleep up to four and are ideal for families.

## The Luxury of Space for a Most Comfortable Adventure

Defined by strength and style, these ships are designed to foster a true expedition atmosphere, with spacious gathering places that allow ample room to comfortably gather for onboard lectures and presentations. Expansive dining, lounge and outdoor deck areas make it easy to mingle and also serve as the perfect setting for a meal or a drink with new friends or the members of your Expedition Team.

## Smooth Sailing on a Sustainable Ship

Your ship's dual stabilizer system counteracts and reduces movement in rough seas for one of the most comfortable cruise experiences at sea. In addition, every vessel we charter has been certified for ecologically responsible operations with a CLEANSHIP or CLEANSHIP SUPER label by Bureau Veritas.

## Health and Safety Are Our Number One Priority

To ensure your wellbeing during your voyage, all Luxury Expedition Cruise guests must be vaccinated against COVID-19. Wherever possible, A&K facilitates any required testing during your journey. On board, extensive steps are taken to provide a safe cruising environment, including thorough cleaning of public spaces and recirculating air. A full-time doctor is also on hand, along with a well-equipped medical center, should the need arise.

## Dine on Sumptuous Cuisine and Unlimited Beverages

A&K includes every meal and unlimited house drinks aboard your ship, including Champagne. With gourmet culinary fare at your fingertips, savor a menu that includes:

- ▶ A wide range of fresh salads and entrees at the casual Grill and exquisitely plated dishes at the beautiful Restaurant
- ▶ A lavishly coursed Captain's Dinner
- ▶ 24-hour room service and breakfast in bed
- ▶ An open bar, including all house wines, Champagne, beer, spirits, sodas, tea and coffee
- ▶ Early riser coffee with French pastries, afternoon tea and snacks, and an aperitif hour with caviar

## Enjoy En Suite Butlers and Five-Star Shipboard Service

Guests who reserve any category of suite also enjoy another A&K exclusive: complimentary butler service throughout their cruise. Regardless of your accommodations, your experienced, English-speaking staff is well versed in tending to every need with grace and style.

### Russell Potter

ARCTIC HISTORY LECTURER

Author, lecturer and fellow of the Royal Canadian Geographical Society, Russell is known for his expertise on Franklin's lost expedition of 1845. In 2017, he retraced Franklin's route with *Erebus* author Sir Michael Palin.

Embark on an extraordinary expedition through the rarely-transited Northwest Passage, voyaging from western Greenland through the Canadian Arctic to Nome, Alaska. Follow in the footsteps of the most legendary polar explorers and under the wing of A&K's famed Expedition Team, including an Inuit cultural expert, while experiencing iceberg-laden shores, remote Inuit villages, historic islands and spectacular geological wonders.

#### AUG 25: Arrive New York City, New York

Arrive in New York City and transfer to your hotel. Later, gather for a welcome dinner, where you meet your fellow guests and members of your Expedition Team.  
A Luxury New York City Hotel | Meals: D

#### AUG 26: Kangerlussuaq, Greenland | Edge of Inlandsis

Transfer to the airport for an early morning charter flight to Western Greenland, arriving at Kangerlussuaq at the edge of the Greenland Ice Sheet. Later, board your luxury expedition cruiser and enjoy the thrill of setting off for sea. This evening, join fellow guests and your Expedition Team for a welcome reception. 'L'Austral' | Meals: B L D

#### AUG 27-SEP 2: Western Greenland | Amundsen's Beginning

In 1906, Roald Amundsen became the first polar explorer to successfully cross the entire Northwest Passage. Begin as he did, venturing along Greenland's stunning West Coast and north into Baffin Bay for the next five days. Your Captain and Expedition Team determine the day's best excursions, which may include the following areas:

**Sisimiut:** North of the Arctic Circle, Sisimiut is the northernmost city in Greenland able to maintain a year-round, ice-free port as well as sufficient snow for dogsledding in winter and spring. Visit the local museum and enjoy an Inuit sea kayak demonstration.

**Disko Bay & Ilulissat:** Cruise into the wide inlet of Disko Bay, first explored by Erik the Red in 985. Discover the Ilulissat Icefjord, a UNESCO World Heritage Site at the mouth of one of the fastest and most active glaciers in the world, Sermeq Kujalleq. Take a walking tour of Ilulissat, visit its history museum, and meet with villagers to learn about local life. Conditions permitting, board a local vessel for an iceberg cruise of Disko Bay.

**Ummannaq Fjords:** North of Ilulissat, this geological wonder teems with marine life. Visit Karrat Fjord to see the iceberg-clad bay and the remains of ancient huts, built by Thule hunters (Inuit ancestors) more than 500 years ago.

**Kullorsuaq:** Translated as “Big Thumb,” Kullorsuaq remains one of the most traditional hunting, fishing and trading villages in Greenland. ‘L’Austral’ | Meals: B L D

SEP 3-10: **Nunavut, Canada** | Vast Arctic Archipelago  
Cruise into the Canadian Arctic Archipelago of Nunavut

and enter the heart of the Northwest Passage. As your luxury expedition cruiser winds through legendary channels and inlets, A&K’s enrichment specialists continue to spark captivating discussions that enhance your discovery. Your crew and Expedition Team determine your itinerary, which is dependent on weather, sea, ice and wildlife conditions. Exciting excursions may include:

**Pond Inlet:** “Place of Mittima’s Grave,” Pond Inlet is the gateway to the Northwest Passage and a rich archaeological site. After clearing customs formalities, embark on a shore excursion to an area once inhabited by the ancient Thule. Visit the Nattinnak Visitor’s Center or Toonoonik Sahooinik Co-op, where you may shop for handcrafted goods.

**Lancaster Sound:** Situated between Devon Island and Baffin Island, this body of water is home to an abundance of Arctic cod and seasonal populations of Beluga and bowhead whales, black guillemots, Arctic terns and other wildlife.

**Beechey Island:** Historic moments in Arctic exploration define this island. Beechey is best known for providing a safe haven to British explorer Sir John Franklin in 1845, who took shelter for two years before his ill-fated attempt to conquer the Northwest Passage. See the grave markers for three of his men and visit Franklin’s cenotaph.

# Best of the Northwest Passage with A&K

Bookended by two oceans, this historic passage reveals the northern coast of North America and its rare Arctic waterways, wildlife, geology and communities. Experience these highlights and more with A&K.

## Franklin Bay's "Smoking Hills"

This geological phenomenon of the Northwest Territories features effusive smoke rising from a hot Martian landscape.

## Inuit Culture

At the shores of remote Ulukhaktok, receive a warm welcome from this traditional Inuit community, complete with food and dancing.

## Ilulissat Icefjord of Greenland

From the seat of a Zodiac, explore the icebergs of this massive UNESCO-designated fjord, one of the most active glaciers in the world.

## Legendary Beechey Island

Visit historic Beechey Island and the cenotaph memorial erected in memory of lost explorer Sir John Franklin.

## AKP Auction

Support local Arctic communities by participating in an onboard A&K Philanthropy auction featuring locally made works of art.

Explore the historic trading post of Fort Ross

**Fort Ross:** Abandoned in 1948, this former trading post at the tip of Somerset Island was used by trappers to barter Arctic fox pelts in exchange for necessities. Explore its remaining structures and perhaps take a Zodiac excursion as your naturalists share stories about its residents.

**Gjoa Haven:** During his attempt on to cross the passage on 'Gjoa', Roald Amundsen took respite in this natural harbor as he waited for ice conditions to improve. For two years, he lived with the Netsilik Inuits and learned survival skills that later proved invaluable on his South Pole expedition.

**Victoria Island:** Cruise the south coast of Victoria and through Queen Maud Gulf, Dease Strait and Coronation Gulf. Expedition stops may include bird sanctuary Jenny Lind Island and Johansen Bay. 'LAustral' | Meals: B L D

SEP11-13: **Northwest Territories** | Remote Frontier  
Enter Canada's Northwest Territories and continue through the heart of the Northwest Passage, where you may experience exciting excursion opportunities that include:

**Ulukhaktok:** Visit with the local Inuit of Holman Village, experiencing drum dance, and tastings of fresh char and bannock rings (fried dough) prepared over an open fire. Tour the town art center and discover Ulukhaktok's beautiful printmaking tradition, carvings and hats made of coveted musk oxen wool.

**Banks Island:** The fourth largest island in the Canadian Archipelago, Banks is home to deep Inuit history and a population of about 60,000 musk oxen.

**Franklin Bay:** Discover the "Smoking Hills," cliffs of bituminous shale that endlessly combust and burn. This

geological phenomenon has likely been occurring for millennia and is a rare sight to see. 'LAustral' | Meals: B L D

SEP14: **Herschel Island** | The Yukon Territory  
On expedition in 1826, Captain Franklin was the first European to lay eyes on this unique island at the northernmost point of the Yukon Territory. Herschel supports numerous wildlife and is one of the only places on earth where you may see a grizzly bear, black bear and polar bear. Evidence of the island's whaling culture and Thule ancestors remains along its coastline, now greatly affected by sea erosion and climate change. 'LAustral' | Meals: B L D

SEP15-17: **Beaufort & Bering Seas** |  
Waters of the White Whale

Typically dense with ice floes and fog, the Beaufort Sea opens up a 60-mile-wide coastal pass from August to September. As your expedition ship cruises into the U.S. and clears at Point Barrow, Alaska (U.S. Customs clearance only), continue participating in lectures led by your Expedition Team. Relax on your private balcony or join fellow guests on deck where, with some luck, you may spy beluga whales, which travel in numbers here, and the northern lights in autumn. Your luxury expedition ship also enters the Bering Sea. While cruising its waters and conditions permitting, experience close views of Fairway Rock, known for its breeding colonies of auks and puffin, and remote King Island. The island was once home to a community of 200 Inupiat; today, all that remains is an abandoned stilt-house community. 'LAustral' | Meals: B L D

SEP18: **Nome, Alaska** | Gold Rush Fever  
Arrive and disembark in Nome, Alaska, among the wildest reaches of America. Try your hand at gold panning,

experience a dogsled demonstration and see the Bering Sea Land Bridge National Monument. Later, transfer to the airport for your chartered flight to Anchorage, and then continue on with your homebound flight. Meals: B L

**Note: Itinerary is for guidance purposes only and may be adjusted due to unforeseen circumstances, including weather, wildlife, ice, medical emergencies and other conditions beyond A&K's control at the sole discretion of the Captain.**

inspiring lectures, briefings and stimulating conversations with your Expedition Team elevate your discoveries in the Kimberley, bringing this vast wonderland into focus in a most enriching way. Your Captain and Expedition Team determine the best daily excursions, which may include:

**Lacepede Islands:** Set atop a coral reef, these four low-lying cay islands are separated from mainland Australia by the Lacepede Channel. The Lacepedes, as they are often called, are an important nesting site for green sea turtles and several species of seabirds, including brown boobies, red-chested frigate birds, crested terns and speckled ruddy turnstones.

**Horizontal Falls:** An exciting visit awaits at Horizontal Falls, described by Sir David Attenborough as “one of the greatest natural wonders of the world.” Set within Talbot Bay, the horizontally flowing waterfalls are created when massive tidal currents squeeze through two narrow gorges. Experience this captivating phenomenon on a boat excursion.

**Montgomery Reef:** The Kimberley’s theme of extreme tides continues at Montgomery Reef, Australia’s largest inshore reef. Board Zodiacs to explore the reef system’s lagoons, islets and rushing channels. The climax comes at low tide, when water dramatically cascades off the reef’s emerging sandstone platform covered in coralline algae, often revealing astonishing sea life.

**Freshwater Cove:** Enjoy a guided bushwalk that leads to a cave depicting indigenous rock art. A magnificent display of sacred Wandjina figures, these ancient paintings reveal the ways, myths and traditions of the Worrorra people.

Among three regions considered to be the epicenter of the Coral Triangle, Triton Bay is home to more fish and coral species than anywhere else on the planet — among them pygmy seahorses, marlin, sweetlips and soft coral. Conditions permitting, you may snorkel and dive. Look forward to an equally impressive Zodiac excursion in its magnificent rainforest-capped Karst formations. 'Le Laperouse' | Meals: B L D

**OCT30: At Sea** | The Beauty of Luxury Expedition Cruising  
On this day spent at sea, balance your time between engaging with new friends and lectures given by your Expedition Team. 'Le Laperouse' | Meals: B L D

**OCT31: Papua** | Land of a Thousand Cultures

Arrive in Agats, the capital of Papua's Asmat Region, long fabled as the ancient realm of cannibals, headhunters and Asmat warriors. Dubbed the "Land of a Thousand Cultures," the region harbors some 44 tribes completely isolated from the modern world and more than 700 languages. Opt to experience a traditional war canoe greeting and make time to browse artisan crafts of the Asmat people, or choose a guided walking tour of Agats. 'Le Laperouse' | Meals: B L D

**NOV1-2: At Sea** | Cruising to Australia

Unwind and enjoy a day at sea, perhaps with time at the pool or spa or on your private deck. If time allows after clearing customs, arrive where Captain Cook did on a Thursday in 1770: Thursday Island, the smallest of the Torres Strait Islands on Australia's most northerly frontier. A once-thriving pearl-diving industry has since disappeared, but Thursday Island remains intimately tied to and shaped by rich Asian cultures, traditions and cuisine. 'Le Laperouse' | Meals: B L D

**NOV3: At Sea** | Reflecting on Unforgettable Adventures  
Soak in your experience with unhurried time at sea, sharing in conversations with your Expedition Team and favorite moments at dinner with friends. 'Le Laperouse' | Meals: B L D

**NOV4: Lizard Island** | The Great Barrier Reef

The northernmost resort island on the Great Barrier Reef, rugged Lizard Island is a national park dominated by mountainous terrain, glistening beaches and dazzling reefs for snorkeling and diving. The island is sacred to the Dinggaal people, who hold hunting ceremonies here. Choose

to relax on a secluded beach and swim the Blue Lagoon or join a guided nature walk, where you may spy prolific birdlife and the goanna lizard, for which the island is named. Alternatively, and conditions permitting, snorkel and scuba dive amid the staggering diversity of Australia's incomparable, UNESCO-listed Great Barrier Reef. **'Le Laperouse'** | Meals: B L D

**NOV 5: Depart Cairns**

Bid farewell to your crew, Expedition Team and fellow guests before disembarking in Cairns, gateway to Queensland. Transfer to the airport for your flight home or continue on your post-tour extension. Meals: B

## MEMBERS OF YOUR EXPEDITION TEAM

**Michelle Valberg**

PHOTOGRAPHER, NIKON AMBASSADOR

An award-winning photographer who has travelled to every continent, Michelle is a Canadian Nikon Ambassador, Canadian Geographic Photographer-in-Residence and the author of four books.

**Commander Susan Kilrain**

GUEST LECTURER

A distinguished aerospace engineer, Navy test pilot and one of the first three women to pilot the space shuttle, Susan's first mission was tied to Easter Island, also home to an emergency landing runway for NASA.

Embark on an adventurous expedition into the heart of French Polynesia and its unique history, spectacular marine environments and UNESCO-designated gems. Led by A&K's celebrated Expedition Team, snorkel the sapphire waters of the Tuamotu Archipelago and experience the Pitcairn Islands and their shared legacy with the HMS 'Bounty.' You also trace Polynesian culture to its roots in magnificent Easter Island, which you explore for multiple days.

**OCT27: Arrive Papeete, Tahiti**

Arrive early this morning in lively Papeete, abuzz with its cafes and markets. Guests arriving early transfer to the InterContinental Resort Tahiti for access to a day room before lunch and a scenic tour of the island. Visit the James Norman Hall Home, a memorial museum replica of the famed writer's home, as well as Point Venus, the landing spot of the European explorers who discovered these islands. Next, drive up to Tahara'a "One Tree Hill" for impressive views over Matavai Bay. This afternoon, board your luxury expedition ship and home for the next 13 nights.

'Le Boreal' | Meals: L D

**OCT28: Fakarava Atoll | Stunning Tuamotuan Atoll**

Located about 230 nautical miles east of Tahiti, the extensive Tuamotuan chain stretches for 600 miles and represents the oldest, and arguably dreamiest, islands of French Polynesia. Today, explore Fakarava, its second-largest atoll with a population of approximately 700 inhabitants. After a leisurely breakfast and relaxing morning on your ship, join

your Expedition Team on excursions to shore via Zodiacs (sturdy inflatable boats), where you are treated to a welcome ceremony at Rotoava. Enjoy exploring the village with its quaint streets, churches, local shops, town hall and school. Time permitting, set off on a scenic Zodiac excursion with your Expedition Team to discover Fakarava's blue lagoon and picturesque landscape. Conditions permitting, you may also enjoy a landing and beach time. **'Le Boreal' | Meals: B L D**

#### OCT29: **Marokau Atoll** | Pearl of the Tuamotus

A vast contrast from Fakarava, tiny Marokau is home to just over 90 inhabitants and was once a primary destination for collecting pearls in the Tuamotus' lagoons. Soak in its breathtaking scenery during a relaxing morning on your luxury ship before setting off on Zodiacs for an afternoon of exploration. Choose to join your Expedition Team for activities ranging from birding walks to snorkeling as well as beach combing and swimming. Return to your ship late this afternoon, with time to relax and participate in fascinating lectures led by your experts. After dinner, cocktails out on deck under starry French Polynesian skies are in order.

**'Le Boreal' | Meals: B L D**

#### OCT30: **At Sea** | Cruising the Tuamotu Archipelago

Cruise through the southern Tuamotu Archipelago as your Expedition Team offers presentations on the sights that surround you and prepare you for your next stop in the Gambier Islands. **'Le Boreal' | Meals: B L D**

#### OCT31: **Mangareva Island** | Star of the Gambier Islands

North of the Tropic of Capricorn and some 1,025 miles southeast of Tahiti, find the largest of the Gambier Islands.

Dubbed the "Floating Mountain" by Polynesian inhabitants, Mangareva boasts a singular village, a distinctive cathedral and exciting terrain. This morning, discover the beauty of the island with a local guide and your Expedition Team, beginning with an excursion to the Cathedral of St. Michael. Completed in 1848 and featuring twin towers, this historic church can accommodate 1,200 people — more than the population of the island today. Alternatively, you may visit a pearl shell-carving school, enjoy a hike to Mt. Duff with an elevation gain of 1,200 feet or set out on a guided walk in search of birds and wildlife. Conditions permitting, snorkeling may be offered to complete today's adventures.

**'Le Boreal' | Meals: B L D**

#### NOV1: **At Sea** | Sailing the South Pacific Ocean

Enjoy a relaxing day at sea as well as continued lectures and conversations with your Expedition Team. You may also take advantage of the ship facilities, including its panoramic decks and full-service spa. **'Le Boreal' | Meals: B L D**

#### NOV2: **Pitcairn Island** | Legacy of the HMS 'Bounty'

After the infamous mutiny on the HMS 'Bounty' in the South Pacific Ocean on April 28, 1789, acting Lieutenant Fletcher Christian and his fellow mutineers sought refuge on Pitcairn Island on January 15, 1790. Today, this namesake island of the Pitcairn Island Group is home to roughly 56 inhabitants — all descendants of the mutineers and the Polynesians who accompanied them — making Pitcairn the least populous national jurisdiction in the world. Today, set foot on the island and back in time to discover its fascinating history. Join local guides in small groups and explore Pitcairn on a variety of walks, including an uphill trek to Adamstown.

**NOV3: Henderson Island** | Wild, Untouched Treasure  
Part of the Pitcairn Island Group and a UNESCO World Heritage Site, Henderson measures just over 14 square miles yet boasts remarkable diversity. Today’s expedition stop offers you the opportunity to explore this uninhabited island with your Expedition Team. Set your sights on gloriously desolate beaches. Join guided walks in search of the island’s rare flora and fauna, which include 10 endemic flowering plants and four endemic species of land birds, such as the Henderson crake and Henderson lorikeet. Sheer limestone cliffs surround this elevated coralline island — one of the last two in the world unaffected by human contact. Conditions permitting, enjoy another chance to snorkel, this time amid Henderson’s brilliant waters. ‘Le Boreal’ | Meals: B L D

**NOV4: Ducie Island** | Birder’s Paradise  
Also in the Pitcairn Group, Ducie is home to tens of thousands of seabirds, including masked boobies, various petrels and frigate birds. The island is also remote and rarely visited, making today’s expedition stop a unique opportunity for discovery. Set off on Zodiacs with your Expedition Team to experience birding colonies in the thousands, a walk on rarely touched sand and the opportunity to snorkel along Ducie’s outer reef. ‘Le Boreal’ | Meals: B L D

**NOV5-6: At Sea** | The Voyage to Easter Island

As your ship sails east toward Easter Island, enjoy the next two days at sea to recharge from recent days of adventure. Engaging lectures are ongoing and shed compelling insights on the mythical speck of land you will soon have the privilege to explore. ‘Le Boreal’ | Meals: B L D

**NOV7-8: Easter Island, Chile** | Rapa Nui National Park  
Known as Rapa Nui to native Polynesians, Easter Island is set over 2,300 miles from mainland Chile and considered the most remote inhabited island on the planet. The greatest concentration of its culture spans UNESCO-designated Rapa Nui National Park, a vast protected wildlife area and open-air museum showcasing the island’s iconic *moai* statues. Explore it as part of a multi-day immersive experience that begins with a lively welcome ceremony. Visit the ruins of the sacred city of Orongo with its low, sod-covered buildings and explore an internal lagoon. In the late afternoon, witness a wonderful sunset with a cocktail at the archaeological complex of Ahu Tahai. The next day, choose to rise early to see the sun rise at Ahu Tongariki, the largest ceremonial ground on Easter Island complete with fifteen *moais*, including one that weighs 86 tons. Later, travel to Rano Raraku Volcano, one of the most impressive sites on Easter Island. Continue to Anakena Beach to enjoy a BBQ lunch followed by time at leisure to soak in this beautiful beach peppered with palm trees and *moais*. You might also enjoy meetings with local Rapa Nui who teach the traditional art of body painting and ancient stone carving. Return every evening to the comforts of your luxury expedition ship and stateroom, taking in the island’s endlessly compelling views from your own private balcony. ‘Le Boreal’ | Meals: B L D

(except for A&K's Traveller's Valet as noted), communication charges, Internet access for all trains; and optional activities (which are subject to availability).

## HOTEL CHECK-IN

Most hotels allow check-in to take place during the midafternoon. Should you wish to have a guaranteed room ready for your immediate check-in upon arrival, it requires an additional room night to be confirmed. Please ask A&K for details and prices. Requests for early check-in based on hotel availability cannot be guaranteed and are at the sole discretion of the hotel.

## ROOM UPGRADES/SPECIAL REQUESTS

Upgrades are typically available on request at individual hotels for an additional cost. Please ask A&K for details and prices. Specific requests such as adjacent or connecting rooms, bedding requests, smoking rooms and special dietary needs should be advised at time of booking. Please note that reasonable efforts will be made to secure special requests; however, they cannot be guaranteed.

## ITINERARIES

A&K reserves the right to modify program itineraries, including arranged sightseeing and featured experts, and substitute accommodations, including vessels, aircraft and trains, at any time due to unforeseen circumstances or circumstances beyond A&K's control. Reasonable efforts will be made to operate itineraries as planned, but alterations may occur after the final itinerary has been issued. Due to the nature of Luxury Expedition Cruises, itineraries are for guidance purposes only and may be adjusted due to unforeseen circumstances including weather, wildlife, ice, medical emergencies and other conditions beyond A&K's control at the sole discretion of the Captain on board.

## AIR TRANSPORTATION

International airfare (to the journey starting point and from the ending point) is not included in program pricing. A&K has special agreements with many air carriers and can offer quotations from any gateway. Some journeys require internal flights as specified in the itinerary. This airfare is typically not included and must be purchased from A&K in addition to the journey. In the instance where charter flights are used and seating is limited, A&K reserves the right to substitute and confirm air reservations on an available alternative scheduled air flight. All internal air is based on economy class seating and is 100% non-refundable at time of final payment (some exceptions may apply). All international and internal air quotes are subject to change until final payment has been received by A&K. Flight confirmation is based on availability. Air reservations cannot be confirmed until a passport copy is received by A&K.

All air carriers are independent contractors and are not owned, managed, controlled or operated by A&K. Your airline ticket constitutes a contract between yourself and the airlines (and not A&K), even if purchased through A&K. A&K shall not be liable and does not assume responsibility for, or accept claims with regard to, seat assignments, name changes, schedule changes, flight changes and/or cancellations. Should you change or cancel your air transportation arrangements before or after your travel begins, all airline change and cancellation fees will apply.

## BAGGAGE

A&K provides portage of up to two (2) pieces of baggage per person. Please note should your journey include internal/domestic or charter flights, your luggage allowance may be less than two (2) pieces of baggage and weight/size restrictions and additional costs may apply.

Details will be provided in your Pre-Travel Documentation. Baggage and personal effects are at the owner's risk throughout the travel program, and A&K assumes no liability for lost or damaged baggage. Please check with your international carrier for other baggage restrictions and fees applicable to your international flights.

## PRICES AND ARRANGEMENTS

Quoted journey prices are per person, double occupancy except where indicated. Although not expected, published prices may be modified due to unexpected significant external factors not forecasted at the time of printing. A&K is under no obligation to give a breakdown in costs of any journey. Pre- and Post-Tour Extensions are only available to guests booked on related group journeys. Modification of program content to accommodate a smaller group size will not affect the published program price.

## CHILD POLICY

The minimum age is 10 years old unless noted on the itinerary. Minimum age is seven years old for Luxury Expedition Cruise Journeys, 12 years old for Connections European River Cruise Journeys and varies for Family Journeys. All children under age 18 must be accompanied by an adult. A&K reserves the right to marginally exceed the published maximum group size on Family Journeys to accommodate a family. Note that some accommodations require that children below a certain age share a room with an adult.

The parent or guardian travelling alone with a child is recommended to carry documentation that proves their relationship to the child (e.g., birth certificate) and evidence that they have permission to travel with the child (e.g., consent letter). Guests travelling with children who are not related are recommended to carry documentation which provides evidence they have permission to travel with the child. Guests are advised to check with the appropriate government authority to determine the necessary documents required for travel with children. A&K cannot be held responsible should the guest, child or any member of the travelling party be denied entry to a country due to noncompliance with a country's requirements.

## ACTIVE ELEMENTS & CONDUCT

The suppliers of some activities on journeys may require a minimum age or minimum/maximum height or weight to participate. Some active elements have been incorporated into select itineraries. To enjoy the journeys as intended, a minimum level of fitness is

required. A&K will require prior notice if any participant has any physical or other condition or disability that would prevent them from participating in active elements of any journey and/or could create a hazard to himself or herself or to other members of the group. Specific journeys have conditions that may require a guest produce a doctor's certificate to A&K prior to travel. A&K will make reasonable efforts to accommodate a disability-related request for accommodation. However, if A&K, in its sole discretion, is unable to properly accommodate the need of the person(s) concerned or believes that health and safety may be compromised, A&K reserves the right to refuse participation. The guest represents that neither he nor she nor anyone travelling with him or her has any physical or other condition or disability that could create a hazard to himself or herself or other members of the tour. A&K also reserves the right to remove from the trip, at the guest's own expense, anyone whose physical condition or conduct negatively impacts the enjoyment of the other guests or disrupts the tour. Due to ship restrictions, women who will be six (6) months or more pregnant at any time during the cruise are not permitted to travel on Expedition Cruises.

## A&K'S GUEST PROTECTION PROGRAM

Travel insurance is not included in the price of the journey and is recommended. You may purchase A&K's Guest Protection Program administered by AON (which provides cancellation coverage, medical coverage and protection against lost or stolen or damaged luggage) or A&K's Guest Protection Program with Cancel for Any Reason Coverage for an additional fee. Coverage takes effect the day A&K receives payment for the plan. The Guest Protection Program is available up to final payment for your journey; however, the plan must be purchased within 14 days of the date your initial trip deposit is received by A&K in order to waive the pre-existing medical condition exclusion. Additional terms apply. The Cancel for Any Reason Program is only available for purchase within 14 days of the date your initial trip deposit is received by A&K (additional terms apply). CFAR provides reimbursement of up to 75% of non-refundable cancellation charges but is not available on select journeys or to New York residents. The cost of coverage is calculated based on the total cost of your travel arrangements. For more information, visit [affinitytravelcert.com/abk](http://affinitytravelcert.com/abk). **Insurance coverages are subject to the terms, limitations and exclusions in the plan, including an exclusion for pre-existing conditions.**

## Special Requirement for Select Luxury Expedition Cruises:

Due to the remote locations, A&K requires proof of a minimum of \$100,000 per person in emergency evacuation/repatriation insurance for all polar cruises and other select Luxury Expedition Cruises as specified at time of booking. This minimum amount is included in A&K's Guest Protection Program; upgrades can be purchased for higher coverage on request. If you do not purchase A&K's Guest Protection Program, we require proof of alternative coverage. Please note emergency evacuation insurance provides for covering the cost associated with emergency evacuation and repatriation up to the limits of the respective policy; however, it does not guarantee the timing, method or mode of such evacuation and repatriation, which is subject to weather, location and other conditions or variables outside of A&K's control.

## PASSPORTS AND VISAS

It is the guest's sole responsibility to obtain and have available when necessary the appropriate valid travel documents. All guests are advised to check with the appropriate government authority to determine the necessary documents required for their travel. A valid passport is required for U.S. and Canadian citizens travelling to all international destinations. Passports must be valid for six (6) months after completion of your journey and should also have sufficient blank visa pages for entry and exit stamps. Many destinations also require a visa for U.S. and Canadian citizens; this will be indicated in your Pre-Travel Documentation. Citizens of other countries should contact the appropriate consular office for entry requirements pertaining to their journey. You may be refused boarding or disembarked from a plane, vessel or train without liability for refund, payment, compensation, or credit of any kind if you do not have proper documentation, and you will be subject to any fine or other costs incurred by A&K which result from improper documentation or noncompliance with applicable regulations. A&K shall not be responsible should any guest be denied entry to a country due to noncompliance with these requirements.

- offer the guest(s) alternative travel arrangements or products of comparable standard as may be appropriate in the circumstances; or
- if alternative travel arrangements or products are not offered by A&K, A&K will provide a travel credit to the guest equal to the value of the trip less any sums A&K is not able to recover from any supplier.

Further, as consideration for being permitted to participate in the Activities; you release the A&K Parties, whether known or unknown, from, and agree not to sue or make claim against the A&K Parties for, property damage, cancellation of any Activities for any reason, illness, negligent rescue operations or procedures, personal injury, or death arising out of your participation in the Activities, and any activity related thereto, including transportation to and from the site of the Activities, regardless of whether such property damage, illness, personal injury, or death results from the negligence of the A&K Parties and/or from any defect in equipment. You further agree to indemnify and hold the A&K Parties harmless with respect to any claim made against the A&K Parties by anyone else which (a) related to your participation in any trip or any Activities, or (b) which would be subject to the above release and covenant not to sue if you had made the claim directly yourself. Upon receipt of notice of the assertion of a claim, the A&K Parties reserve the right to approve, or withdraw approval of, counsel, in its sole discretion.
