PASSPORT AND VISA INFORMATION

Your passport needs to be valid for **at least six (6) months** after your journey ends, and should have a minimum of one (1) blank visa page for entry and exit stamps.

A tourist visa is required for U.S. and Canadian passport holders for entry into Bhutan and must be arranged prior to departure. Abercrombie & Kent has made arrangements to obtain your visa authorization through our office in Bhutan. The fee for the Bhutan visa is included in your tour cost.

In order to obtain this pre-authorization, you must provide A&K USA with the following:

- 1) A scanned, color copy of the identification pages of your passport
- 2) A scanned, full-color copy of a recent passport-size photo (2"x 2")
- 3) Proof of a travel insurance policy with your name as it appears on your passport on the document (Guests who have purchased A&K's Guest Protection Program do not need to submit proof of insurance.)

Please ensure all digital copies are in sharp focus, clear and easy to read. Photos should be scanned at a resolution of 300 pixels per inch, without any shadows or glare. Images which do not meet these requirements may result in your visa being rejected by Bhutanese immigration authorities.

Please send this to us via email at: operations@abercrombiekent.com no later than 60 days prior to departure. During your journey, an A&K representative will provide you with a visa authorization number prior to boarding your flight to Bhutan. This authorization number enables you to obtain a visa on arrival in Bhutan.

Our partner VisaCentral offers easy, efficient U.S. passport processing. Visit them online at visacentral.com/abercrombiekent or call 844 823 1224 and reference A&K's account number 73001. Service fees apply.

Citizens of other countries should contact the appropriate consular office for entry requirements pertaining to their journey.
