PASSPORT AND VISA INFORMATION

Your passport needs to be valid for **at least six (6) months** after your journey ends, and should have a minimum of four (4) blank visa pages for entry and exit stamps.

Kenya

An Electronic Tourist Visa (eVisa) is required for U.S. and Canadian passport holders for entry into Kenya. To apply for an eVisa, visit evisa.go.ke/evisa.html. The current fee for a single-entry* visa is USD \$51 (subject to change without notice). A tourist visa is only valid for 90 days from the date of issuance, so do not apply for your Kenya visa more than 90 days prior to departure.

Kenya is currently waiving visa requirements for children ages 15 or younger. Children in this age group need only present a valid passport upon arrival.

When applying for your eVisa make sure you have a copy of your passport details including a photos of your passport's front cover and bio-data page, a copy of your passport photo and your itinerary (to use as proof of hotel confirmation) for your journey in Kenya, as you will need to upload these documents to complete the application process. The documents should be saved and uploaded in jpeg format no more than 293kb.

Tanzania

A tourist visa is required for U.S. and Canadian passport holders for entry into Tanzania. There are currently two options available as outlined below. A&K recommends an electronic visa (eVisa).

Electronic Visa (eVisa): To apply for an eVisa, visit <https://visa.immigration.go.tz/>. U.S. citizens visiting Tanzania for tourism are required to apply for a multiple-entry visa, which is valid for one year. The cost is USD \$100 (subject to change without notice). Citizens of Canada may obtain a single-entry e-Visa (ordinary visa), valid for three months. The cost is \$USD 50 (subject to change). We recommend that you apply at least 60 days prior to your arrival date. Average time to receive an eVisa is approximately 10 days.

When applying for your eVisa make sure you have your passport details, a copy of your passport photo and return ticket, as you will need to upload these documents to complete the application process. Read and follow all instructions carefully to ensure a smooth arrival in Tanzania.

COVID-19 COUNTRY ENTRY REQUIREMENTS & TRAVEL ADVISORIES

Kenya and Tanzania currently have no COVID-19 vaccination or testing requirements for entry for U.S. and Canadian residents. Visit the U.S. Department of State at travel.state.gov or the Government of Canada at travel.gc.ca/travelling/advisories for up-to-date information and travel advisories. All requirements are subject to change.

Kenya

- Travellers displaying flu-like symptoms on arrival at any point of entry will be required to complete a passenger locator form: https://ears.health.go.ke/airline_registration/ and take a COVID-19 antigen test. Should the antigen test prove positive, travellers will also need to take a COVID-19 PCR test. Depending on the severity of symptoms, travellers who test positive will be required to isolate per the Ministry of Health guidance on isolation. All related costs are the responsibility of the traveller.

Tanzania

- Travellers may be subject to medical screening on arrival, including a temperature check, questionnaire, and visual assessment.

YELLOW FEVER VACCINATION & MALARIA PREVENTION

A yellow fever vaccination is only required to enter **Kenya** and **Tanzania** if you are arriving from, or have transited through, a yellow fever-endemic area in South America or Africa—including East African countries such as Kenya and Uganda. The CDC and WHO each provide a current list of all affected countries. As your itinerary includes visits to both Kenya and Tanzania, vaccination for

yellow fever is necessary and you must carry an International Certificate of Vaccination provided by your physician; you may be denied entry without it. If your physician advises against receiving the vaccination because of your personal medical history, he or she can provide you with the necessary documentation for the country/countries you are visiting.

You will be travelling to areas of malaria transmission. We strongly advise that you speak with your doctor or travel clinic regarding your itinerary, individual risk assessment and options for mosquito bite prevention and antimalarial drugs. We recommend filling any prescriptions before you depart.

CASH & CREDIT CARDS

Both Kenya and Tanzania have cash-based economies. Cash transactions can be made in either U.S. dollars or the local currency in each country. U.S. dollars should be recently issued bills in smaller denominations. Major credit cards are accepted on a very limited basis, mainly in the largest shops, hotels and lodges. Access to ATM machines is available in large cities such as Nairobi, Arusha and Dar es Salaam, but limited in rural areas.

OF SPECIAL NOTE: PLASTIC BAGS IN KENYA AND TANZANIA

The governments of Kenya and Tanzania have implemented a ban on plastic bags. The ban applies to “carrier and flat bags,” primarily targeting bags from shops and grocery stores, but also extending to Ziploc bags, duty-free bags and bubble wrap. If tourists have those types of bags visible while in the airport, they are likely to be confiscated. Bags designed for multiple use, such as zippered cosmetic bags, are not included in the ban.

PACKING LIST & BAGGAGE RESTRICTIONS

On flights within East Africa, each passenger is limited to a maximum baggage weight of 33 pounds (15 kilograms). This includes the weight of purses and camera equipment in addition to regular luggage. Luggage restrictions are adhered to very strictly and passengers should pack their bags accordingly. Soft-sided luggage or duffels are preferable to hard luggage for storage on safari vehicles and also on aircraft used throughout East Africa. Dimensions should not exceed 23 inches (58 centimeters) long x 13 inches (33 centimeters) high x 10 inches (25 centimeters) wide. As a convenience, A&K provides each safari guest with a complimentary, custom-designed A&K Duffel. This bag is specifically crafted to meet airline standards.

Flights aboard light aircraft within East Africa may not be direct. Multiple stops may be made to offload passengers at safari camp landing strips. A change of aircraft may be required.

Please use the provided A&K luggage tags, even if your bags already have ID tags. This makes it easier for A&K staff to collect and manage your luggage for you.

Clothing

Choose comfortable and casual clothing in natural, "breathable" fabrics and versatile styles that can be layered, as temperatures may vary considerably in the course of the day.
