

ESSENTIAL INFORMATION TANZANIA

PASSPORT AND VISA INFORMATION

Your passport needs to be valid for **at least six (6) months** after your journey ends, and should have a minimum of two (2) blank visa pages for entry and exit stamps.

A tourist visa is required for U.S. and Canadian passport holders for entry into Tanzania. There are currently two options available as outlined below. A&K recommends an electronic visa (eVisa).

Electronic Visa (eVisa): To apply for an eVisa, visit <https://visa.immigration.go.tz/>. U.S. citizens visiting Tanzania for tourism are required to apply for a multiple-entry visa, which is valid for one year. The cost is USD \$100 (subject to change without notice). Citizens of Canada may obtain a single-entry e-Visa (ordinary visa), valid for three months. The cost is \$USD 50 (subject to change). We recommend that you apply at least 60 days prior to your arrival date. Average time to receive an eVisa is approximately 10 days.

When applying for your eVisa make sure you have your passport details, a copy of your passport photo and return ticket, as you will need to upload these documents to complete the application process. Read and follow all instructions carefully to ensure a smooth arrival in Tanzania.

- Complete the “Travel Information” section of the application as indicated below:
 - A. Type of Visa: Multiple entry (U.S. citizens); Single-entry/Ordinary (Canadian citizens)
 - B. Purpose of Visit: “Leisure and Holiday”
 - C. Port Type: Choose either “Airports” or “Roads”
 - D. Port of Entry and Port of Departure: These specific ports may be left blank
 - E. Date of Arrival: Enter your date of entry for Tanzania
 - F. Departure Date: Enter your departure date from Tanzania
 - G. Host Details: Select “Company/Organization”
 - H. Full names and Physical Address of the Host: Abercrombie & Kent Tanzania, Njiro Hil, P.O. Box 427. Arusha
 - I. Host Telephone Number: +255 272 508 348
 - J. Host Email: info@abercrombiekent.co.tz
 - K. Where are you going to stay? Choose hotel from the dropdown menu and then enter the contact information of the first hotel on your itinerary.

If you experience technical problems with the eVisa website, try again a few hours later or the following day.

A visa can also be obtained on arrival in Tanzania, however, the visa on arrival process requires applicants to stand in several different lines with wait times of two hours or longer.

Our partner VisaCentral offers easy, efficient U.S. passport and visa processing. Visit them online at visacentral.com/abercrombiekent or call 844 823 1224 and reference A&K’s account number 73001. Service fees apply.

Citizens of other countries should contact the appropriate consular office for entry requirements pertaining to their journey.

COVID-19 COUNTRY ENTRY REQUIREMENTS & TRAVEL ADVISORIES

Tanzania currently has no COVID-19 vaccination or testing requirements for entry for U.S. and Canadian residents. Visit the U.S. Department of State at travel.state.gov or the Government of

Canada at travel.gc.ca/travelling/advisories for up-to-date information and travel advisories. All requirements are subject to change.

- Travellers may be subject to medical screening on arrival, including a temperature check, questionnaire, and visual assessment.

YELLOW FEVER VACCINATION & MALARIA PREVENTION

A yellow fever vaccination is only required to enter Tanzania if you are arriving from, or have transited through, a yellow fever-endemic area in South America or Africa – including East African countries such as Kenya and Uganda. This means that if your itinerary includes visits to both Kenya and Tanzania, you may be asked to show proof of yellow fever vaccination when entering either country. The CDC and WHO each provide a current list of all affected countries. If vaccination for yellow fever is necessary, you must carry an International Certificate of Vaccination provided by your physician; you may be denied entry without it. If your physician advises against receiving the vaccination because of your personal medical history, he or she can provide you with the necessary documentation for the country/countries you are visiting.

You will be travelling to an area of malaria transmission. We strongly advise that you speak with your doctor or travel clinic regarding your itinerary, individual risk assessment and options for mosquito bite prevention and antimalarial drugs. We recommend filling any prescriptions before you depart.

CASH & CREDIT CARDS

Tanzania has a cash-based economy. Cash transactions can be made in either U.S. dollars or local currency. U.S. dollars should be recently issued bills in smaller denominations. Major credit cards are accepted on a very limited basis, mainly in the largest shops, hotels and lodges. Access to ATM machines is available in large cities such as Arusha and Dar es Salaam, but limited in rural areas.

OF SPECIAL NOTE: PLASTIC BAGS IN TANZANIA

The government of Tanzania has implemented a ban on plastic bags. The ban applies to “carrier and flat bags,” primarily targeting bags from shops and grocery stores, but also extending to duty-free bags and bubble wrap. If tourists have those types of bags visible while in the airport, they are likely to be confiscated. Bags designed for multiple use, such as zippered cosmetic bags, are not included in the ban.

PACKING LIST & BAGGAGE RESTRICTIONS

On flights within East Africa, each passenger is limited to a maximum baggage weight of 33 pounds (15 kilograms). This includes the weight of purses and camera equipment in addition to regular luggage. Luggage restrictions are adhered to very strictly and passengers should pack their bags accordingly. Soft-sided luggage or duffels are preferable to hard luggage for storage on safari vehicles and also on aircraft used throughout East Africa. Dimensions should not exceed 23 inches (58 centimeters) long x 13 inches (33 centimeters) high x 10 inches (25 centimeters) wide. As a convenience, A&K provides each safari guest with a complimentary, custom-designed A&K Duffel. This bag is specifically crafted to meet airline standards.

Flights aboard light aircraft within East Africa may not be direct. Multiple stops may be made to offload passengers at safari camp landing strips. A change of aircraft may be required.

Please use the provided A&K luggage tags, even if your bags already have ID tags. This makes it easier for A&K staff to collect and manage your luggage for you.

Clothing

Choose comfortable and casual clothing in natural, "breathable" fabrics and versatile styles that can be layered, as temperatures may vary considerably in the course of the day. For game

viewing, wear neutral colors (though not camouflage, which is illegal in most national parks and reserves). Black, navy or other dark colors tend to attract insects. Smart casual attire is appropriate for evenings. Formal clothing is not necessary.

- Casual slacks
- Walking shorts
- Polo shirts, casual short-sleeve shirts or blouses
- Long sleeve shirts or blouses
