

# ESSENTIAL INFORMATION WINGS OVER INDIA

## PASSPORT AND VISA INFORMATION

Your passport needs to be valid for **at least six (6) months** after your journey ends and should have a minimum of two (2) blank visa pages for entry and exit stamps.

**A tourist visa is required for U.S. and Canadian passport holders for entry into India and must be obtained prior to departure.** There are currently two options available as outlined below. A&K recommends an electronic visa (eVisa).

**Electronic Visa (eVisa):** To apply for an eVisa, visit [indianvisaonline.gov.in/visa/tvoa.html](http://indianvisaonline.gov.in/visa/tvoa.html). The current fee for an eTourist visa is USD \$25 (July-March) or USD\$10 (April-June) plus an additional 2.5% bank transaction fee; subject to change without notice. You may apply for an eVisa 30 days, but no later than four days, in advance of your scheduled arrival into India. Read and follow all instructions carefully to ensure a smooth arrival in India. You will be required to upload documents (passport photo and copy of your passport information page) to complete the eVisa process. Your eVisa may take up to 72 hours to process and will be sent to you via your e-mail. Print the visa authorization out and carry it with you to present upon arrival. If you experience technical problems with the eVisa website, try again a few hours later or the following day.

Please be aware that eVisas are valid for entry through 29 designated airports, most commonly Mumbai, Delhi and Chennai, and certain seaports. A list of valid entry points will be displayed in the eVisa process. If you are arriving to India via any other point of entry, eVisas are not applicable and you must obtain a visa stamp in your passport.

**Visa Stamp:** A visa stamp in your passport can be obtained by applying through a visa processing service. While there are additional costs involved in using a visa service, this option is available for guests who prefer assistance in the visa process. This type of visa has a 10-year validity and allows multiple visits with stays of up to 90 days per visit.

## COVID-19 COUNTRY ENTRY REQUIREMENTS & TRAVEL ADVISORIES

India currently has no COVID-19 vaccination or testing requirements for entry for U.S. and Canadian residents. Visit the U.S. Department of State at [travel.state.gov](http://travel.state.gov) or the Government of Canada at [travel.gc.ca/travelling/advisories](http://travel.gc.ca/travelling/advisories) for up-to-date information and travel advisories. All requirements are subject to change.

## YELLOW FEVER VACCINATION & MALARIA PREVENTION

A yellow fever vaccination is only required to enter India if you are arriving from, or have transited through, a yellow fever-endemic area in South America or Africa. The CDC and WHO each provide a current list of all affected countries. If vaccination for yellow fever is necessary, you must carry an International Certificate of Vaccination provided by your physician; you may be denied entry without it. If your physician advises against receiving the vaccination because of your personal medical history, he or she can provide you with the necessary documentation for the country/countries you are visiting.

You may be travelling to an area of malaria transmission. We strongly advise that you speak with your doctor or travel clinic regarding your itinerary, individual risk assessment and options for mosquito bite prevention and antimalarial drugs. We recommend filling any prescriptions before you depart.

## CASH & CREDIT CARDS

Cash transactions can generally be made in either U.S. dollars or local currency. U.S. dollars should be recently issued bills in smaller denominations. The import and export of Indian Rupees is strictly prohibited unless you are a resident of India. So make certain to conduct any currency exchanges within India. Major credit cards are accepted on a limited basis, mainly in the larger shops, hotels and restaurants. Access to ATM machines is widespread in cities and towns but limited in rural areas.

## PACKING LIST & BAGGAGE RESTRICTIONS

On Charter Air flights within India, each guest is limited to approximately 44 pounds of checked baggage. Guests are allowed to bring one piece of carry-on luggage. There are no overhead bins on board the aircraft to store luggage or personal items.

Please use the provided A&K luggage tags, even if your bags already have ID tags. This makes it easier for A&K staff to collect and manage your luggage for you.

### Special Restrictions on Power Packs, Cellphone or Computer batteries:

On Internal Air flights within India, power packs, cell phone and computer batteries are not allowed to be brought onto airplanes in checked luggage. They can only be brought onto the plane in carry-on luggage. Specifications of the power pack must be labeled on the power pack. Airport security officers have the right to confiscate any items that violate these restrictions.

### Clothing

Choose versatile, casual clothing that can be layered if the weather requires. Smart casual attire is appropriate for evenings. Formal clothing is not necessary.

Temples and other religious sites require modest dress to enter. Guests are advised to pack clothing that covers knees, shoulders, and upper arms for select visits. You may be required to remove shoes when entering sacred sites.
